sentenced to the worst possible punishment: exile "Applaud for KLAUDE. Two paws up!"--Dav Pilkey, creator of the Dog Man series. "Funny, savage, and brilliant, Klawde is the pet I wish I had."--Max Brallier, New York Times Bestselling author of The Last Kids on Earth. Klawde is not your basic cat. He's an emperor from another planet, exiled to Earth. He's cruel. He's cunning. He's brilliant... and he's also Raj Banerjee's best friend. In book six of the Klawde series our feline warlord has begun his reign as Emperor of the Universe! His headquarters? The litterbox command center in the Banerjee family basement. But be careful what you wish for--as Klawde finds out, even the lord of all living matter has to follow the rules, even if they're designed to squelch evil dreams. What's more, plots to overthrow him are rampant, and Klawde needs allies. Who can he turn to? Barx and the space rangers of the Dog Star Galaxy? (Hairball.) Ffangg and the other Allied Warlords of Evil? (Double hairball.) Or--least appealing of all--the Calico Queen, his former earthcat protege and current ruler Lyttyrboks? Meanwhile, Raj is trying to survive in an even more perilous group of enemies and allies: the students and parents of the Elba Middle School Newspaper Club. Heavily illustrated, with a hilarious, biting voice that switches between Raj's and Klawde's perspectives, this is the story of an unlikely friendship that emerges between a boy and the evil cat who arrived on his doorstep. This cat will steal your heart. Literally. Think all cats are sweet, fluffy creatures with big eyes that can melt even the hardest of hearts? Think again. In 95 hilarious cartoons, Elia Anie shows all the reprehensible depths to which one particularly malevolent feline can sink. This collection investigates the origins of our most intriguing old-fashioned superstitions, many of which we still find ourselves abiding by today. Hundreds of the beliefs passed down through the generations have their foundations in our ancestors' efforts to ward off evil, which they blamed for hardship, illness and injustice in times when life was, as often as not, 'nasty, brutish and short'. Black Cats and Evil Eyes sets these superstitions in their historical and social context, explaining how fear of the Devil, demons, evil spirits and witchcraft drove people to arm themselves with rituals and talismans to repel dark forces and allow them to live long and healthy lives. In examining many of our common superstitions, this book illuminates the customs, beliefs and practices that link us to an ancient, and often darker, human past. A VERY BAD CAT. After tasting death once, he yearned for more. Though Evil Cat perished, he dedicated his remaining eight lives to killing ever more humans. Terror grows in each of the nine chapters--until the final insult. There is always a price to pay for wanton destruction. More brilliant black humour from Elia Anie. In the hugely successful EVIL PENGUINS Elia Anie bravely exposed the dark underbelly of the animal kingdom. Now with EVIL CATS she is taking on an enemy far closer to home... Think cats are sweet, fluffy creatures with big eyes that can melt even the hardest of hearts? Think again. Violent, devious and utterly amoral, in 95 hilarious cartoons Elia Anie will show all the reprehensible depths to which their behaviour can sink. EVIL CATS confirms once and for all that felines are as capable of dastardly deeds as any other member of the animal kingdom. The cat has symbolized a host of concepts: good and evil, light and darkness,

religion and black magic. This intriguing book traces the history of these fascinating creatures — from vampire and clairvoyant cats to cats in heraldry, as sacrificial objects, and idols of secret sects. Includes 50 black-and-white illustrations. Zeegpaw, the dog with more luck than any animal on the face of the land is back! Once again, Inkpen, the evil feline is trying to kill him and works on a fiendish plot to send the lovable canine to the dangerous Outlands where he must battle Mother Rat, the gangster with a liking for all that is bad, and The Children of the Vine, a group of cats who specialise in Dumort, the ancient art of cat duelling. Ever wonder if all the little things cats do to distract, disrupt, and frustrate you in your daily life are actually part of a grand, evil conspiracy? Well, the answer is yes! Feline Commander and the Evil Secret Society of Cats return with more dastardly plots, while Doggoman and his little sister valiantly strive to protect humanity. In this volume you'll also meet Woofbot and Kinkuma, leader of the hamster gang! This cat will steal your heart. Literally. Think all cats are sweet, fluffy creatures with big eyes that can melt even the hardest of hearts? Think again. In 95 hilarious cartoons, Elia Anie shows all the reprehensible depths to which one particularly malevolent feline can sink.
