...a message to the Black Youth. This is a compilation of individual essays written during the summer-fall of 1992. The essays are designed to inspire thought within the Black Mind. These writings are primarily targeted toward the Black Youth of this day, of which I am a part of. I am not a Master of these teachings, but these teachings I wish to Master. They say that my generation is not intelligent enough to read a book. I say that They are wrong. It is just that They are not writing about anything of interest that is relevant to our lives! And when They do write something, they have to write in the perfect King's English to impress their Harvard Professors! Here we are with a book in one hand, and a dictionary in the other, trying to understand what in the hell the author is talking about! If you have got something to say, just say it! We are not impressed by your 27-letter words, or your Shakespearian style of writing. The Black Youth of today don't give a damn about Shakespeare!!! This ain't no damn poetry contest! We are dealing with the life, blood, and salvation of our entire Black Nation! If you want to reach the People, you have to embrace us where we are, and then take us where we need to go. So, these writings are from my generation and for my generation with respect and love. If no one will teach, love and guide us, then we will teach love and guide ourselves. Peace. Erotic Origami will satisfy the adult-oriented cravings of origami aficionados. Over 600 full-color illustrations will guide you to recreate twelve origami pieces. A chapter on materials and methods is also included, so you can make your models as presentable as possible. The truth could not be revealed -- until now.... After the tragic death of her adoptive father, Willow De Beers receives an unexpected gift: a family diary that unlocks all the secrets of her world -- and shatters the life she's known in glitzy Palm Beach, Florida. At last, Willow learns the identity of her real father, and unearths his secret love affair with her real mother. She discovers the reasons for her adoptive mother's cruelty...and the truth about the mysterious woman who couldn't keep her, but would love her forever. Look inside for the original e-book prequel Dark Seed -- first time in print! Also inside...a preview of the thrilling Broken Wings series -- coming soon from Pocket Star Books "A First Course in Linear Algebra, originally by K. Kuttler, has been redesigned by the Lyryx editorial team as a first course for the general students who have an understanding of basic high school algebra and intend to be users of linear algebra methods in their profession, from business & economics to science students. All major topics of linear algebra are available in detail, as well as justifications of important results. In addition, connections to topics covered in advanced courses are introduced. The textbook is designed in a modular fashion to maximize flexibility and facilitate adaptation to a given course outline and student profile. Each chapter begins with a list of student learning outcomes, and examples and diagrams are given throughout the text to reinforce ideas and provide guidance on how to approach various problems. Suggested exercises are included at the end of each section, with selected answers at the end of the textbook." -- BCcampus website.
