The Films in My Life Jan 20 2020 From a cinematic grand master, "one of the most readable books of movie criticism, and one of the most instructive" (American Film Institute). An icon. A rebel. A legend. The films of François Truffaut defined an exhilarating new form of cinema for moviegoers the world over. But before Truffaut became a great director, he was a critic who stood at the vanguard, pioneering an innovative way to view movies and to write about the cinematic arts. Now, for the first time in eBook, the legendary director shares his own words, as one of the most influential filmmakers of all time examines the art of movie-making through engaging and deeply personal reviews about the movies he loves. Truffaut writes extensively about his heroes, from Hitchcock to Welles, Chaplin to Renoir, Buñuel to Bergman, Clouzot to Cocteau, Capra to Hawks, Guitry to Fellini, sharing analysis and insight as to what made them film legends, and how their work led Truffaut and his fellow directors into classics like *The 400 Blows*, *Jules and Jim*, and the French New Wave movement. History in My Life May 16 2022 Berend's memoir offers an interesting case study, a subjective addition to the "objective" historical works on Central and Eastern European state socialism. It describes the hard choices of intellectuals in a dictatorial state: 1. remain in isolation, concentrate on scholarly works, and exclude politics in your personal life; 2. be in opposition, criticize and unveil the regime, accept discrimination and exclusion; 3. remain within the establishment and work for reforming the country using legal possibilities to criticize the regime and to achieve changes from within. Ivan T. Berend, is Distinguished Professor at the University of California Los Angeles, Director of the European Studies Program. He was one of the

masterminds of regime change in Hungary. He made a career in Hungary as a university professor, Rector of the University of Economics (1973-79), and President of the Hungarian Academy of Sciences (1985-90). He was President of the International Committee of Historical Sciences (1995-2000), and Vice-President of the International Economic History Association (1986-1994). His research interests are the complex economic, social, ideological, and cultural history of Central and Eastern Europe in the 19th-20th century; economic modernization; problems of European backwardness; transition from state socialism to capitalism. He published 26 books and more than 120 studies.

In My Life Dec 11 2021 From being transported by the sound of 'True Love' by Bing Crosby and Grace Kelly on the radio, as a small child living in condemned housing in ungentrified West London in the late 1950s, to going out to work as a postman humming 'Watching the Detectives' by Elvis Costello in 1977, Alan Johnson's life has always had a musical soundtrack. In fact music hasn't just accompanied his life, it's been an integral part of it. In the bestselling and award-winning tradition of *This Boy*, *In My Life* vividly transports us to a world that is no longer with us - a world of Dansettes and jukeboxes, of heartfelt love songs and heart-broken ballads, of smoky coffee shops and dingy dance halls. From Bob Dylan to David Bowie, from Lonnie Donnegan to Bruce Springsteen, all of Alan's favourites are here. As are, of course, his beloved Beatles, whom he has worshipped with undying admiration since 1963. But this isn't just a book about music. *In My Life* adds a fourth dimension to the story of Alan Johnson the man.

Angels in my Life Nov 29 2020 After a short stay on Angel Island, in the bay across from San Francisco, I boarded the USS Tasker H. Bliss on October 4, 1941, along with a few hundred others. I learned, after we were at sea, we were probably headed for the Philippines. I had been assigned to the newly organized 680th Ordinance Company (Aviation Pursuit), US Army Air Force, and was headed for an area very close to war...more so than I had suspected. At night, it was lights out and no smoking on deck. This made me believe the war in Europe might be getting closer to home. We were being sent to the Philippines to assist the Filipino army that General Douglas MacArthur had been training to meet an expected Japanese invasion. MacArthur was sent to the Philippines by the US government in 1935 as a military advisor and in 1937 he was made the commander of all the armed forces in the Philippine islands. He realized the threat of an invasion by the Japanese, and he had desperately been trying to fortify the Philippines. He had pleaded for more money to build up the Filipino army and more troops from the US, but his request had been ignored until the Japanese began to invade Indochina.

This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

More Than I Love My Life May 24 2020 INTERNATIONAL BOOKER PRIZE NOMINEE • A remarkable novel of suffering, love, and healing—the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told—from the internationally

best-selling author of *To the End of the Land* "A magnificent book ... The way Grossman writes about these regions is unique, with a deep understanding of our experience." —Josip Mlaki?, *Express* (Croatia) *More Than I Love My Life* is the story of three strong women: Vera, age ninety; her daughter, Nina; and her granddaughter, Gili, who at thirty-nine is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili—abandoned by Nina when she was just three—has always been close to her grandmother. With Gili making the arrangements, they travel together to Goli Otok, a barren island off the coast of Croatia, where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey—filtered through the lens of Gili's camera, as she seeks to make a film that might help explain her life—lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. *More Than I Love My Life* was inspired by the true story of one of David Grossman's longtime confidantes, a woman who, in the early 1950s, was held on the notorious Goli Otok ("the Adriatic Alcatraz"). With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman's fearless examination of the human heart, this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists, whose revered moral voice continues to resonate around the world.

The Book of My Life Sep 27 2020 A bright star of the Italian Renaissance, Girolamo Cardano

was an internationally-sought-after astrologer, physician, and natural philosopher, a creator of modern algebra, and the inventor of the universal joint. Condemned by the Inquisition to house arrest in his old age, Cardano wrote *The Book of My Life*, an unvarnished and often outrageous account of his character and conduct. Whether discussing his sex life or his diet, the plots of academic rivals or meetings with supernatural beings, or his deep sorrow when his beloved son was executed for murder, Cardano displays the same unbounded curiosity that made him a scientific pioneer. At once picaresque adventure and campus comedy, curriculum vitae, and last will, *The Book of My Life* is an extraordinary Renaissance self-portrait—a book to set beside Montaigne's *Essays* and Benvenuto Cellini's *Autobiography*.

Music in My Life Feb 19 2020 Rock & roll first spoke to Alec Wightman as a ten-year-old boy when he heard Dion sing "The Wanderer" on his transistor radio. Over the next sixty years, Wightman would listen to countless records, chase live shows from coast to coast, promote singer-songwriter acts through his own concert production company, and work with leaders in the music industry as a member and chair of the board of the Rock & Roll Hall of Fame—all while maintaining his day job as a successful corporate lawyer. In *MUSIC IN MY LIFE: Notes From a Longtime Fan*, Wightman chronicles his musical evolution from the great rock & roll of the 1960s to numerous Neil Young concerts in the '70s and on to decades discovering singer-songwriter favorites like John Stewart, Jesse Winchester, Tom Russell, Rosie Flores, and Dave Alvin. The constant throughout Wightman's life, as one reviewer puts it, has been his "ear for great songs and his admiration for those who craft them." In *MUSIC IN MY LIFE*, this admiration is genuine and palpable, regardless of whether the talent springs from the lesser-known (Chuck Prophet, John Fullbright) or the renowned (Bruce Springsteen, Jimmy Webb). With his tireless advocacy for live music, Wightman has forged special connections with scores of musicians over his lifetime, using his passion to bring artists and fans together. And his engagement with the Rock Hall is the cherry on top, giving him a unique perspective into the world of rock & roll—the music of our lives. *MUSIC IN MY LIFE*, says another reviewer, "is written proof that musical fandom can be a form of artistic expression."

For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left

him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—The test of my life—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

My Life Dec 19 2019 Ben Carson grew up in the inner cities of Boston and Detroit with his mother and brother. When his father deserted the family, Ben's mother worked several jobs to support her boys yet worked even harder to encourage them to get an education and follow their dreams. Ben's dreams nearly ended when his anger at being poor and the ridicule of a school mate caused him to snap; he lunged at the boy and cut him with a knife. That brush with attempted murder caused Carson to break down and ask God to turn him around. And turn him around he did. A poor student, Carson under the guidance of his mother and brother became the best student in his class, his school, and ultimately earned a scholarship to Yale. The next time he used a knife was as a neurosurgeon at Johns Hopkins Hospital where he pioneered surgery techniques that not only saved lives but miraculously gave countless children an amazing quality of life. My Life is the story of a young boy who could have remained trapped in poverty were it not for his mother's tough and sacrificial love, his own perseverance that he learned from her example, and his deep faith that called him to do great and mighty things. This book contains a new chapter about Dr. Carson's philosophies of serving one's country, becoming role models for people with disadvantaged backgrounds, using the talents God has given you, embracing what success really is, and believing, youths and adults alike, that with hard work and perseverance, "you can do it." And on May 4, 2015, Dr. Ben Carson declared himself a candidate for the Presidency of the United States of America.

In Stargazing: The Players in My Life, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or the fiery and inflexible New Zealand captain who went on to become a close friend? What is the most important lesson the legendary Allan Border taught him? Why did he nickname the formidable Kiwi captain 'Kane and Able'? What did he want to tell M.S.
