Holland examines the Scripture-based principles of healing and the precedence of the early church. Divine Healing Made Simple

is a training manual for the supernatural life. It not only covers the topic of divine healing, but deliverance, raising the dead, making disciples, proclaiming the kingdom of God, dreams, fasting, words of knowledge, healing in the work place and in health care, and it takes a prophetic look at the future of healing. Isn't it time someone wrote a book that gives honest answers to the difficult questions you have about healing and the supernatural? Why are my prayers ineffective when I ask God to heal someone? Many people have prayed for my healing - so why am I still not healed? Does God want me to learn a lesson through physical suffering and sickness? I was miraculously healed through prayer - why have my symptoms returned? This book takes a bold new approach by addressing the questions about healing that many authors have avoided so far. Three chapters are devoted to the problems of why some people are not healed and why some people seem to lose their healing. The author answers these questions by sharing revelation he received through dreams from God. He also teaches from his many personal experiences and shares the observations of other healers. This is the first book on healing to harness the power of Facebook. By hosting discussion questions on Facebook, the author has collected the wisdom and experiences of hundreds of different healers. This may be the most comprehensive book on healing ever written. Praying Medic has worked as a paramedic for decades. He has prayed for many of his patients and seen them healed. You'll be encouraged and given hope for healing by the testimonies and dreams you'll read about in this book. Meet the Healer within He will heal you spirit soul and body, He will give you life, and He will destroy the works of the devil in your life and establish the plan of God. Come and see! One just like Jesus. He is one just like Jesus: Have you ever wondered what it would be like to have walked with Jesus in the days that He walked the earth? He healed the sick, the lame walked, the blind eyes were opened, He raised the dead, gave His disciples' power

and authority over unclean spirits, cast out devils. His disciples were never sick - think about that for a moment. The power to heal. The Holy Spirit is that healer, that power of God to heal; He is that virtue that came out of Jesus to heal at the touch of faith, Jesus said "power has left me" The Good news is that Jesus said: "I will pray the Father and He will send you "another comforter" one exactly like me. The Holy Spirit has come to indwell the believer and do exactly what He did through Jesus in us and through us, but we have to know about Him to receive Him, The Lord bless you as you read! Adam has given us a simple but profound look at what the Christian life should look like. - Bill Johnson, bestselling author of When Heaven Invades Earth The Supernatural Simplified! From the days of Jesus until now, there has been a mandate for every believer (including you) to go into the world, preach the kingdom, heal the sick, cast out demons, and raise the dead. Its time to start walking in the miraculous lifestyle that Jesus modeled! Adam LiVecchi presents an inspiring guidebook for every believer. Go. Preach. Heal. does more than educate it activates. This book will give you the practical essentials of operating in the power of God! Learn to: Unlock the anointing of Christ in you the key to operating in miracles, signs and wonders. Function in your Kingdom identity and inheritance as revealed in Scripture. Root out lies that hinder the flow of Gods power in your life. Follow the three-point model of Jesus: Intentional, Strategic, Supernatural. Featuring questions for reflection, prayers of impartation, and Scriptures for meditation, Go. Preach. Heal. will ignite a fire within you to demonstrate the Kingdom of God in your everyday life. In Rising Higher, the author offers encouragement and hope to those who struggle with generational dysfunction. She uniquely combines the practicality of counseling principles with the power of spirituality and grace in the healing of generational dysfunction. Because of God's grace, you can soar above the storm clouds of dysfunction. Just as an airline pilot knows to rise above tumultous weather, we have

an inner compass that motivates us to do so as well. We can rise higher. We were made to soar! One of the first books ever written by Oral Roberts, *If You Need Healing, Do These Things* was originally published in 1947 shortly after Roberts began his healing ministry. As a young man dying from tuberculosis, who experienced the healing power of God for himself, Roberts wrote a book that still speaks profoundly to all people who are sick or hurting in some area of their life. Can God heal? Will He heal me? *If You Need Healing, Do These Things* answers those questions...and more. Written by someone who knows what it is like to lose all hope and to walk the very steps you may be walking right now, *If You Need Healing, Do These Things* is a down-to-earth, practical "handbook" on how to get into position to receive whatever miracle you need from God. *The Ultimate Guide to Energy Healing* is a beginner's guide to energy healing styles, practices, and techniques that readers can use immediately for healing and self-care. *How to Create an Atmosphere for More Effective Healing Ministry* Foremost healing expert and bestselling author Randy Clark unwraps the hard questions that baffle most Christians about healing prayer. Speaking from Scripture as well as from personal experience, in which the healing power of Jesus has become normative, Clark helps readers learn to:

- walk in an atmosphere of effective healing ministry
- navigate the balance between faith and expectation
- pray with confidence
- expect results every time

Grasping these easy-to-understand principles from a biblical foundation will increase the likelihood of healing when you pray. Let the power of God work through you, your prayer group, or your church for the healing breakthrough promised to every believer. The Lord Jesus intended for every person who believed in Him to do the works He did and even greater works (John 14:12). While God does have specific gifts, calling, and anointing placed on specific individuals with a ministry function in the Body of Christ, the power and authority to minister healing and deliverance is given to every

believer. The Lord desires to see every child of His, young and old, moving in the power of His Spirit, in the authority of Jesus' name, doing the works of the Father, so that people will know and experience the living Jesus in their lives! This book will equip you to minister healing and deliverance in Jesus' name! Watch our online Sunday Church service live stream every Sunday at 10:30am (Indian Time, GMT+5:30). But what should have been a happy, carefree childhood was blighted when Annabel developed a painful and seemingly incurable digestive disorder. Her parents spared no expense in the search for a cure, but medical experts assured them there was none. On a rare day when Annabel felt well enough to play outside, she was climbing an old hollowed-out tree when a branch snapped and she fell, head first, thirty feet down inside the tree. Miraculously, she survived the fall but was knocked unconscious. Rescued and later released from hospital, Annabel told her mother, 'you know I went

to heaven when I was in that tree'. Annabel shared with her mother her amazing experience of talking to God, who told her that it wasn't her time and that she must go back. What happened next was the greatest miracle of all. Annabel was inexplicably cured of her illness and her doctors could offer no explanation. Written by Annabel's mother Christy, *Miracles from Heaven* is the story of a little girl's - and a family's - inspiring journey. Deeply moving and heartwarming, the book recounts the fateful day of the accident, Annabel's description of her time in heaven and her miraculous recovery. This is the story of how one family never gave up hope. Jesus shed His blood for so much more than empty, powerless religion. False religion and the sacrosanct traditions of men have, for nearly 1700 years, reduced the gospel to a form of godliness that denies any real power. At the birth of Christianity, Jesus and the Apostles worked many mighty signs and wonders that the world could not deny. Comparing Christianity today to the faith of the early Christians, it's clear that we're lacking power. This lack is due to the refusal of a sleeping church to acknowledge and obey the whole counsel of God. Christ could rightly say of mainstream Christianity, "Why do you call Me, 'Lord, Lord, ' but don't do what I say?" Jesus commanded His disciples to heal the sick, cleanse the lepers, raise the dead, and cast out demons. He paid for such miracles at the cross and the whipping post of His suffering. The truths in this book will shake you to the core and challenge beliefs that have been left unquestioned for centuries. The truths herein are simple, straightforward, and free of any subjective interpretation. The author focuses solely on presenting the unadulterated and indisputable meaning of Scripture boldly and succinctly, without mention of any personal experience or opinion. With few words, you will find yourself confronted and convicted by the truly biblical standard of the Christian life. Through this book, you will be equipped with the divine knowledge that's necessary to see the power of God flowing through you to heal the sick and set the

captive free. In addition, the most commonly asked questions about healing, sickness, suffering and tragedy, and the purpose of the cross are answered with authority. In "Heal the Sick", David Grams exegetically walks readers through the Bible, as to demonstrate, with authority, that it is surely and always God's will for people to be healed of their sicknesses and diseases. The author also writes to intrigue cessationists of all forms, hoping to persuade skeptics and opponents that the Bible teaches, clearly, that miracles and the gifts of the Spirit are for believers today. This book is ideal for students of the Bible who want to know more about divine healing, disciples who want to learn how to heal the sick, and Christians who are either questioning or resisting the doctrine of divine healing. "What is the most effective way to win souls and make disciples? What instructions did the Lord Jesus give His disciples when He sent them out to impact the world? How are we to impact our communities, cities and nations with the Gospel of our Lord Jesus Christ? How do we validate the message we preach? How did the Lord Jesus do it, and how did the apostles do it? The Gospels repeatedly describe the ministry of Jesus stating that He 'went about teaching, preaching the gospel of the kingdom, and healing all kinds of sickness and all kinds of disease among the people' (Matthew 4:23). When the Lord Jesus sent the Twelve and then the Seventy, He commissioned them to preach, saying 'The kingdom of heaven is at hand.' Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received freely give' (Matthew 10:7, 8; Luke 10:1, 9). The great Commission, given after His resurrection also included the same mandate, to preach, heal, and work signs, wonders and miracles (Mark 16:15-20). The twelve apostles followed this, and so did the apostle Paul and those whom he trained. Evangelism, the way Jesus did it, involved preaching the Gospel with accompanying signs, wonders and miracles. We need to return to evangelism, the Jesus way! This resource is essentially a training manual. However, we must

always remember that healing and deliverance comes because of His presence. 'Our faith should not be in the wisdom of men but in the power of God' (1 Corinthians 2:5)."-Introduction. Healing Your Emotional Self "Emotionally abusive parents are indeed toxic parents, and they cause significant damage to their children's self-esteem, self-image, and body image. In this remarkable book, Beverly Engel shares her powerful Mirror Therapy program for helping adult survivors to overcome their shame and self-criticism, become more compassionate and accepting of themselves, and create a more positive self-image. I strongly recommend it for anyone who was abused or neglected as a child." --Susan Forward, Ph.D., author of Toxic Parents "In this book, Beverly Engel documents the wide range of psychological abuses that so many children experience in growing up. Her case examples and personal accounts are poignant and powerful reminders that as adults, many of us are still limited by the defenses we formed when trying to protect ourselves in the face of the painful circumstances we found ourselves in as children. Engle's insightful questionnaires and exercises provide concrete help in the healing process, and her writing style is lively and engaging. This book is destined to positively affect many lives." --Joyce Catlett, M.A., coauthor of Fear of Intimacy The Emotionally Abusive Relationship "Beverly Engel clearly and with caring offers step-by-step strategies to stop emotional abuse . . . helping both victims and abusers to identify the patterns of this painful and traumatic type of abuse." --Marti Tamm Loring, Ph.D., author of Emotional Abuse Loving Him without Losing You "A powerful and practical guide to relationships that every woman should read." --Barbara De Angelis, Ph.D., author of Are You the One for Me? This monograph presents the most comprehensive investigation yet made into the healing activity of the Early Church. In contrast to early skeptics such as B. B. Warfield, the author is convinced that there was a vigorous healing ministry in the centuries that followed the apostles,

though it fluctuated somewhat and changed its mode. Exorcism is prominently attested throughout the period. The pre-Nicene Fathers recognized its great apologetic value as a dramatic demonstration of the superiority of Jesus Christ over pagan gods. Interest in healing miracles per se appears to have been particularly characteristic of the less educated members of the Church and those who were chaste in their devotion to the cause of Christ. Among these groups, gifts of healing were found, becoming rare it seems by the mid-third century but well attested again later in monastic circles. From healing the sick to raising the dead, our Savior gives us every reason to believe in miracles.

\* Inspirational Bible verses strengthen faith! \* Uplifting photos reveal God's beautiful creation! To prepare your body, mind, and spirit for God's awesome healing power, this books is a great gift! Jesus is the great healer. Nothing or no one heals like Him, not even our modern medical practitioners. Jesus is the only one who can heal in an instant, or heal from a distance. He is the only one who can raise the dead. He is the only one who can drive out demons. Jesus is the only one who has a cure for all our health problems. Renew Your Congregation provides motivation to church leaders and gives direction for those in need of recovery from the status of a dying or plateaued church, toward becoming a transformed and transforming church. Based on his own experience as pastor of dying and of transformed churches, the author gives practical advice to church leaders concerning what they must do and what they must become for the church to become vibrant, energetic, and fun again. Using examples and testimonies from pastors of various denominations across the country, McConnell shows both the dangers and the delights of leading a church transformation. He explains the necessity of spiritual and organizational changes and the pain endured in making them. A TCP Leadership Series title. But ye shall receive power after that the Holy Ghost has come upon you; and ye shall be witnesses unto me both in Jerusalem and in all Judea and in

Samaria, and unto the uttermost part of the earth." For John truly baptized with water, but you will be baptized with the Holy Spirit not long after. Every Christian needs to be filled with the Holy Spirit (Ghost), but the question is how? Filling with the Holy Spirit is the main and fundamental area of the gospel. Being filled with the Holy Ghost is important and necessary because you cannot do anything for God, as far as ministry is concerned, without the Holy Spirit. You cannot represent God; you cannot be involved in God's projects without the Holy Spirit. You cannot know or please God without the Holy Spirit and faith. He who sees him sees the Holy Spirit. You cannot be a Christian without him. Knowing Jesus Christ is knowing the Holy Ghost. D.L. Moody once said, "The work of the spirit is to impact life, to implant hope, to give liberty, to testify of Christ, to guide us into all truth, to teach us all things, to comfort the believer, and to convict the world of sin." Trying to do God's work in your own strength or power is the most confusing, exhausting, and tedious of all work. But when you are filled with the Holy Spirit, then the ministry of Jesus just flows out of you. I had been for several years experienced an encounter with the Holy Spirit (what people called baptism of the Holy Spirit) going by what people were seeing every day in my ministry here. This is an apostolic ministry. Not just a ministry, but an apostolic one! So, I would like to tell you how you can be filled with the supernatural power to perform miracles; how to have an encounter with the Holy Spirit. Heal The Sick, Raise The Dead, Cleanse Those Who Have Leprosy, Drive Out Demons. Freely You Have Received, Freely Give: Matthew 10:8 Bible Journal For Christians Looking for the perfect personalized gift?! This awesome journal is the best choice How to Heal the Sick, Cast Out Demons, Raise the Dead--and More! The Bible says that if you belong to Jesus, you have the power to: · heal the sick · cast out demons · bring deliverance to those trapped in spiritual darkness · prophesy in his name · call forth creative miracles · receive supernatural words of wisdom

and knowledge · even raise the dead So why do so many Christians live powerless lives? Why do they operate with so little faith? Having gone through his own journey from doubt to belief, Chicagoland pastor Robby Dawkins now ministers and speaks internationally, and where he goes, miracles happen. In these pages he shares incredible stories of God using ordinary people to do the impossible. And he shows that, when you begin to have faith in the power of God, take him at his Word, and understand his love for you, you will see his power released in healings, financial blessings, and miracles of all kinds. If you grew up within a chaotic family environment caused by chronic inconsistency, stress, and emotional or physical abandonment or abuse-whether due to addictions, political unrest, war, or a parent's mental health issues-The Kind Self-Healing Book is for you. If you are prone to anxiety, depression, self-doubt, people-pleasing, or decision-making influenced by fear, or if you want to free yourself of the coping behaviors that worked in a disordered childhood but don't serve you in adulthood, The Kind Self-Healing Book is for you. As an adult child of alcoholics and the founder of the influential blog Guess What Normal Is, author Amy Eden understands the importance-and the particular challenges-of nurturing self-care and self-love, having embarked on the complex journey herself. As a result, this candid and sympathetic book invites readers to take a courageous look inside their hearts and minds, guided by sensitivity and love, so they may discover how some of their unconscious behaviors are hurting them. Even in the center of some very raw emotion, you will find that the book's guidance and activities are gentleevery step of the way, allowing you to cultivate great self-compassion. In examining the reactive, defensive, isolating, and safety-seeking behaviors that all adult children of alcoholic, addicted, or otherwise narcissistic and childlike parents have always utilized-simply as learned habits or survival mechanisms-you will begin a personal transformation of deep love and growth. With whimsical and

calming illustrations and a design that welcomes participation, The Kind Self-Healing Book encourages you to write your thoughts, feelings, and observations on its pages-inspiring, guiding, and supporting you throughout in making the kinds of changes that will enable you to lead the happier, more functional, and overall more balanced life you've always wanted." The emphasis is on empowering readers to use these tools to create a vibration-raising practice of their own, that they can then use in a range of different situations, from dealing with physical pain to ridding themselves of stress and lingering emotional upset to improving the vibes of their surroundings at work and at home. Divine Healing: This book seeks to bring to light the power of God which is present to heal the sick. Divine healing is a reality which one can live in. Divine healing is not a matter of chance but is an

available and accessible provision we have in Christ. Divine health is a reality which a believer can live in. In this book you will get profound information for you to walk in dominance over sickness and disease. In these last days where deadly sicknesses and diseases are on the increase, the Spirit of the Lord is raising the standard through Divine healing. Our redemption in Christ is not only limited to the salvation of our souls but includes the healing of our bodies from all forms of infirmity, sickness, and disease. The provision for our healing has been made available in Christ. It is available for the taking! In this book, you have the revelatory information on what you require to manifest Divine healing in your life or in the lives of others as you minister healing to them. Healing should not be a possibility but should be a certainty. This book is packed with the vital information, scriptural references, and testimonies to enable you to partake and make Divine healing your living reality. The subject of divine health and divine healing is an important subject in the Christian faith and to an individual Christian. This subject is one which should not only be understood but must be a lived experience and a lifestyle of every believer. It is for this concern that I have written this unique book on divine health and divine healing in these end times. Scripture testifies to the effect that diseases (pestilence) shall increase in the end time era. In this generation we can all testify to this reality of the prophecy of scripture. There has been a rise in incurable diseases to an unprecedented levels ranging from the diseases with well-known historic trends such as cancers to quite novel diseases or incurable conditions such as HIV/AIDS, Ebola, and the current pandemic of coronavirus(Covid19) which has caused many deaths across the world and the death toll is still on the rise as I write this book. The truth is that there is nothing for a believer to be surprised about in what is going on in the world with regards to the health issues for individuals, communities, and nations. It is the unfolding of the prophecy of scripture. However, the believer has

not been spared from these calamities and pestilences that have hit mankind. Experience has shown that many faith people have also suffered heavy blows and loss of life due to these sicknesses and diseases. The question which grips the faith community is this, "Is Divine Health and Divine Healing still a reality as purported in scripture?" The answer is an emphatic, Yes. We will henceforth dig deeper in this quest of recovering the lost "coin" called "Divine health and Divine healing" and mastering how we can benefit from it, with the intend of entrenching a lifestyle of walking in Divine health and Divine healing. 10 Then he said to them: "Nation will rise against nation, and kingdom against kingdom. 11 There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven. Luke 21:10-11 NIV. Meet Jesus, the Healer Do you believe in Jesus the Healer? Many Christians confess, I believe in Jesus, the Son of God, the Savior, the Redeemer. But what about Jesus the Healer? Could it be that believers today are not experiencing the fullness of Heavens healing power because they have ignored this vital, ancient identity of Jesus? The Healing Creed is a revolutionary work that shows you how to believe in, activate, and experience the supernatural demonstration of Jesus healing power. Through a blend of practical teaching and powerful, first-hand healing testimonies, you will learn to: Apply the Blood Covenant of Jesus and release miracles into impossible situations Appropriate the redemptive work provided by the Cross over every curse and disease Activate the faithful healing promises of God and stand firm against sickness Access the untapped healing power of repentance and forgiveness Authoritatively Pray against sickness with confidence to release victorious healing Put the Healing Creed to work in your life and experience the miracle-working power of Jesus today! Healing is always the source for a good storydivine healing even more so. Gods miraculous touch is rare in some cultures, but case after case has been told to the glory of God. Stories of Deliverance

relates real stories of real people and how Jesus healed them of various diseases. He touched lepers, arrested fevers, raised the dead, and drove out demons. In this book, the author describes as closely as possible how Jesus healed the afflicted. And even today, Jesus healing continues through the power of the Holy Spirit. "Jesus never sent out anyone to preach the gospel message without also telling them to heal the sick." "At the turn of the millennium the fastest-growing churches in the world were ones that worked signs and wonders — healings and miracles." Last century there was a worldwide revival of divine healing, signs and wonders, prophecy and other spiritual gifts, involving Christians of all denominations. John Huggett shows from Scripture, history and experience how the outreach commands of Christ, which include these supernatural works, are still valuable, both for evangelism and building up the Church. He explores what it really means to preach the gospel, heal the sick, cleanse the lepers, drive out demons, raise the dead, and freely give. He also explains the big open secret of effective outreach. "Jesus is looking for ordinary people who will tell others about Him, and who are prepared to do extraordinary things and give all the glory to God." God sent the world a healing Messiah, Jesus Christ. This book is designed to help you see healing from Jesus' perspective and to bring about a greater understanding of why God made healing a central part of Jesus' kingdom work and ministry. The author has based this book on two important presuppositions as evidenced in Scripture. One, healing is rooted in God's amazing and unconditional love for humanity. Two, healing is in the atonement. In response to sin, God sent the world a healing Messiah. Salvation is ultimate healing. People throughout human history have raised the question, "Why do bad things happen to good people?" It seems that evil often triumphs over good. In addition to this question being thoroughly considered and answered in the book of Job, the healing stories in Mark's gospel challenge the wisdom of this statement. Everyone has carried

emotional or spiritual wounds. This can be as a result of family problems, love life, religious uncertainty, or many other things. When we have open wounds it can be hard for us to know where to turn for help, but the answers are all around us. The family in this story undergoes severe emotional and spiritual turmoil but soon goes on a journey together that will lead Sandra and her children to gain support from their community and have the confidence to trust in God to heal them. This book is about how to receive divine healing. Can God still heal? Yes! Can we live in good and perfect health today? Yes! Our God is the same yesterday, today and forevermore. Expect your healing as you read. Here, you will read some incredible testimonies that will instantly increase your faith in God and His unlimited ability and wiliness to intervene even in worst situations. For example, God still cures incurable and terminal diseases. He still raises the dead. Have you read about a man who was raised from death after staying two days in the mortuary? Now, if God can do that, why do you think nothing can be done about that your condition? There are many other incredible testimonies here. There are ten powerful, illuminating chapters in this book: All Things are Possible, Healing is Your Right, Origin of Sickness, Word of God, Name of Jesus, Holy Spirit, Power of Faith, Retaining Your

Healing. You will also learn about the roles of prayer, anointing oil, laying of hands, compassion (love), obedience, angels, praise and worship, etc, in our quest to receive and retain our healing. This book is designed for you to receive your healing as you go through it, and it's very practical. PUBLISHER: TEKTIME This book will teach you how to be a miracle worker, which includes raising the dead, healing the sick, and casting out demons. GOD HAS ALWAYS DONE MIRACLES IN HIS CHURCH ~ AND STILL DOES! The Holy Spirit has never left the Church and neither have His supernatural gifts and manifestations. They have been available in every century ~ from the days of the Apostolic Fathers, to the desert monks of Egypt and Syria, to the missionary outreaches of the Middle Ages, to the Reformation era and the awakenings and revivals that followed, to the Pentecostal explosion of the Twentieth Century and the increase of signs and wonders in the Twenty-first. Miracles, healings, deliverances, prophecies, dreams, visions ~ even raising the dead! ~ have all been in operation throughout the history of the Church. Anglicans, Baptists, Catholics, Congregationalists, Lutherans, Methodists, Moravians, Presbyterians, Quakers and many others have experienced the supernatural gifts and workings of the Spirit over the centuries. *Miracles and Manifestations of the Holy Spirit in the History of the Church* gathers up numerous accounts from a variety of historical sources and provides a handy reference for those who want to know more about: • How the Church has understood and operated in the gifts and manifestations of the Holy Spirit at various times in history. • Why the gifts and miracles were more frequently in manifestation in some eras than in others. • The many ways the Church has ministered in healing and deliverance. • How the Holy Spirit manifested in great revivals. • How the river of gifts and miracles continues to flow today. Jesus tells his followers to feed the hungry, heal the sick, raise the dead, but often we've tamed this calling. Sara Miles, a passionate, funny, undomesticated

Christian, tells what happened when she decided to follow Jesus into the messy diversity of human life and do exactly what he asked. Smith Wigglesworth was one of the most important evangelists in the early history of Pentecostalism. He traveled the world teaching faith and bringing healing to thousands, even raising the dead. This book is a collection of some of his sermons which were transcribed. Includes a short biography. One evening, she had an extraordinary experience--an invitation to return to the fold of her devotion. A visit from the Blessed Mother Mary transformed her life forever. Now a born-again Catholic, she has been blessed with numerous spiritual events and insights. After experiencing a phenomenal aura cleansing, she was inspired to learn more about the human aura. Her curiosity and studies brought forth powerful knowledge about how we are each connected to the spiritual world. In these uncertain times, she believes, it is important for everyone to have a relationship with God. In Unconditional Healing, she shares the best of her

research and experience to help others. Her ministry of massage therapy and energy healing is dedicated to guiding others on their own path to knowledge, so they too can enjoy more vigorous health of body, mind, and spirit. Once you learn to heighten your vibrational rate, you can become closer to truth in your life. You can then be empowered to accomplish your real purpose in this world. Are you ready to experience the joys of Unconditional Healing in your life?
