[Wineman Chronicles Book 1 - Laguna Seca](#) Apr 26 2023 After returning from the Middle East, Johnny Edwards buys an old BMW and restores it at his mechanics garage in Del Mar, California. They get the idea for a road trip to the Historic Races in Monterey. Even though his friend backs out Johnny makes the drive through the back roads and highways of Central California to quiet Monterey. However, Monterey is anything but quiet this time of the year and is a gear-heads dream. He meets up with the locals and stays at the neighborhood campground. Tasting the local fare he meets up with some winemakers out in Carmel Valley and redirects his race attention to that of making some great red wine. A prominent Carmel Valley winemaker teaches him the old fashioned traditional methods of harvesting, crushing and bottling wines. This is a once in a lifetime adventure that only a wine enthusiast could appreciate.

[The Chevrolet Small-Block Bible](#) Jun 04 2021 Ever since its introduction in 1955, Chevrolet's small-block V-8 has defined performance. It was the first lightweight, overhead-valve V-8 engine ever available to the masses at an affordable price and, better yet, had tremendous untapped performance potential, making it the performance engine of choice to this day. What sets the Chevy small-block further apart is the fact that a builder does not have to spend big money to get big horsepower numbers. Using multiple examples of engine builds and case studies, The Chevrolet Small-Block Bible provides the reader with the information needed to build anything for a mild street engine for use in a custom or daily driver to a cost-is-no-object dream build. Includes parts selection, blue printing, basic machine work, and more.
